Public Policy Process and Analysis of Policy

Sharon K. Guthrie, PhD, ARNP, CPNP, NCSN, RN-BC
Executive Director
Iowa School Nurse Organization, Nursing
Robins, IA
np4kidz@hotmail.com

Learning Outcomes:
As a result of participating in this educational activity, learners will be able to:
- Influence change in public policy; and
- Demonstrate systems level leadership.

About the Session:
This session will include description of how school nurse leaders have influenced state public policy processes and analysis of potential legislation.

Why this is important to a school nurse:
The purpose of this activity is to enable the learner to apply strategies to influence public policy related to school nursing and school health issues.
